

# Australian Master TreeGrower Course

Bridgetown - Oct/Nov 2010

**Cost:** \$250 (incl. GST), plus accommodation & meals

**Dates:** Starts Wed 6 October, 1 day per week for 8 weeks, finishes 24 November

**What you will learn about:**

How trees can enhance your farm for agriculture, conservation and aesthetics.

Trees for profit - species, measurement, management and markets.

Real farmer examples - learning from those who are doing it.

Information networks and ongoing support.

**More information:** go to [www.agroforestry.net.au](http://www.agroforestry.net.au) or contact Richard Moore (0429 926 731)

The course is a joint project between the national not-for-profit Australian Master TreeGrower Program and the South West Branch of Australian Forest Growers with support from South West Catchments Council, Blackwood Valley Landcare Zone and the Department of Water

# Registration Form
